

in the fact that he was yielded to Christ as His Lord, his leader. Thus, he knew that the Lord was leading Him in triumph, because when Jesus is counted upon to lead us, He "**always leads**" us triumphantly.

Christ leads us in triumph; we do not win it for ourselves. This triumph is a spiritual victory that belongs to us by being **in Christ**. "Thanks be to God who always leads us in triumph **in Christ**." Jesus won the victory at His death, burial, and resurrection. Now, He wants us to look to Him to lead us in that victory day by day.

Dear Jesus, my victorious Lord, how often I attempt to be the one who directs my life. I confess that when I lead, victory is not the result. Lord, help me to count on You to lead me in Your triumph, even in the difficult situations that I frequently encounter. In Your triumphant name, I pray, Amen.

PASTOR'S VOICE

Greetings to the Absolute Worship Ministries family. I Thank God for his favor shown on us throughout our 35th Pastoral and Church Anniversary services.

We have been blessed with such profound ministry guests that have shared an anointed word during each service. Words can't express how blessed we are to be able to reach this great milestone of 35 years of service in the Body of Christ. This experience has brought many challenges to me as a pastor. But all praise and glory must be given to Jesus Christ who has strengthened me for this journey. I am extremely grateful to Lady Sarion for standing by me though it all, the times of joy, happiness, and sorrow. When I experienced some of the most difficult times while pastoring, she was always by my side encouraging me.

I want to thank everyone who have been with us for many years and those who have served and moved on to other ministries, great is your reward in Christ Jesus and he would not forget your labor of love.

Today as we close out our celebration, we must all realize that this is just the beginning of what God wants to do with Absolute Worship Ministries. There will be those of you who God will be raising up to go to a new level of service in his Kingdom. God has brought us to a such a time as this moment. Things that you may not have done in the past. Will be required of you now as you fulfill the assignment for your life.

Special thanks to all Absolute Worship Ministries for working so diligently with Minister Roberta Edwards to host the greatest anniversary celebration in our history. Also thank you, Sister Charlotte Parrott, for all your hard work with our anniversary booklet, design, and publication.

This truly is an example of the statement that says, "Teamwork makes the Dream Work".

Praise be to God, for Bishop Arnick Shouse, of Terre Haute, Indiana, our guest speaker today, and Pastor Stephanie Turner of Love Life Ministry, helping us in Praise and worship.

May God's Peace be yours, Bishop George

TRIUMPH LIVING EVEN IN DIFFICULT SITUATIONS

When I came to Troas to preach Christ's gospel, and a door was opened to me by the Lord, I had **no rest** in my spirit, because I did not find Titus my brother; but taking my leave of them, I departed for Macedonia. Now **thanks be to God who always leads us in triumph in Christ.** (2Co 2:12-14)

Triumphant living is one of the **characteristics** that God wants to develop in us by the work of His **grace**. Even when we are in **difficult situations**, the Lord wants us to learn to walk in the victory that is available to us in Christ.

The Apostle Paul encountered a very difficult situation in Troas, as he traveled on one of his missionary journeys: "When I came to Troas to preach Christ's gospel, and a door was opened to me by the Lord, I had **no rest** in my spirit." As Paul arrived in Troas, it was apparent that the Lord had granted an open door to preach the gospel. Nevertheless, Paul was distressed within his heart. The reason for the turmoil within was the absence of a key ministry partner. "I did not find Titus my brother." In some situations, ministry cannot be conducted properly, if all of the strategic parts of the body of Christ are not fully engaged. So, Paul left that city, leaving Troas for another time. "Taking my leave of them, I departed for Macedonia."

Circumstantially, this looked like a defeat. Yet, Paul had a more profound perspective than what the eyes of man could see or what the mind of man could conceive. "Now **thanks be to God who always leads us in triumph in Christ.**" Paul gave thanks to the Lord for a truth that was greater than the obviously difficult situation that he had just experienced. Whenever we allow the Lord to be the one leading our lives, He **"always leads us in triumph in Christ."** Paul was rejoicing
